

A technical diagram of a mechanical assembly. It shows a cylindrical component with a flange on the left and a cap on the right. The flange has four mounting holes. The cylindrical body has a textured section. The cap has a central hole with a cross symbol. Labels with arrows point to various parts:

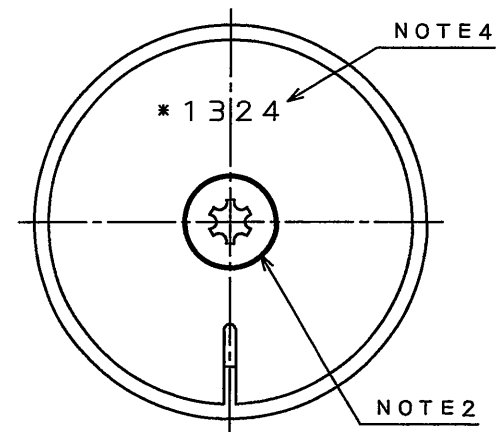

- MATING MARKING** (かん合マーキング): Points to a marking on the textured section of the cylindrical body.
- MATING ARROW** (かん合矢印): Points to an arrow on the textured section of the cylindrical body.
- ARROW (UNMATE)** (矢印 (UNMATE)): Points to a marking on the textured section of the cylindrical body.
- COUPLING NUT** (カップリングナット): Points to the textured section of the cylindrical body.
- CAP (PART)** (キャップ (部品)): Points to the cap on the right.
